H. D. C. Held Meeting In Lake Harbor

The Woman's Home Demonstration Club met at the Community Methodist Church, Lake Harbor on Friday, Mrs. D. L. Campbell presided over the business session during which plans were made for a special work meeting on Friday, October 17 to make copper plaques. Mrs. E. W. McLeod, handicraft chairman, will be in charge of this handicraft meeting.
Mrs. J. B. Grant presented the afternoon topic for discussion on The Home Garden. Miss Sara Horton, home demonstration agent also discussed phases of gardening particularly with regard to fertilizers and seed treatment before planting. Announcement was made of the Senior County Council meeting to be conducted at Bellvue Park in West Palm Beach on Thursday, October 23 at 10:00 o'clock. Plans were made for a group to attend this club.

Mrs. A. B. Mathis and Mrs. Lloyd McKinley were hostesses for the afternoon session. Mrs. E. W. McLeod, Mrs. H. D. Merriam, Mrs. Alfred Redberg, Mrs. J. D. Hemphill, Miss Sara Horton.

School Notices

The Lake Harbor Civic Club, presided over by Ted Daniels, held a call meeting Thursday, October 9, at the request of the parents in the vicinity. The meeting was called to discuss the lack of a school room for the pupils and the part that the citizens can play in getting the needed room, which had been promised by the Palm Beach School Board.

In spite of the bad rain, thirty-six determined members and interested persons attended the meeting. After a report by

LEGAL NOTICES

SCHOOL TRUSTEE ELECTION
Petition in the State of Florida, notice to be given that an election will be held for the purpose of electing trustees for the governing body of the school district No. 2 in Palm Beach County, Florida, for the ensuing two years, and for the purpose of determining the amount of the school tax to be levied within said district and whether there shall be a special tax mill levy in the said district for the purpose of creating a revenue fund for the maintenance and operation of the school district. The election shall be held at the following places, to-wit: (1) Jupiter, Town Hall (Precinct No. 1); (2) Lake Park, City Hall (Precinct No. 2); (3) Community Hall (Precinct No. 3); (4) Northern, Fire Station (Precinct No. 4); (5) West Palm Beach, Colored, Junior High School (Precinct No. 6); (6) Central Borough, Fire Station (Precinct No. 8); (7) Southern, Fire Station (Precinct No. 12); (8) Palm Beach, Fire Station (Precinct No. 13); (9) Lake Worth, Town Hall (Precinct No. 14); (10) Lantana, Town Hall (Precinct No. 15); (11) Boynton, Town Hall (Precinct No. 16); (12) Coral Gables, Town Hall (Precinct No. 17); (13) Coral Point, Town Hall (Precinct No. 18); (14) Belle Glade, City Hall (Precinct No. 19); (15) South Bay, Town Hall (Precinct No. 20); (16) Palm Beach, Public Institution (Precinct No. 21).
BY JOHN I. LEONARDI, County Superintendent.
Public Institution and Executive Secretary.
Published October 16, 17, 24, 25, 1947.

Mrs. W. C. Previtt and Mrs. Polly McLeod concerning the Board's recent refusal to get the room, it was unanimously voted that a committee be appointed to gather the facts of the case and to present them to the proper school authorities and to the general public.

During the meeting it was pointed out that the First and Second Grades were having to meet in a small hallway near the boy's and girl's restrooms. The hallway is poorly lighted and is only screened thus allowing rain and cold to come in. It was also stated that Lake Harbor is not asking for a new building; the community merely wants the addition of a new room to take care of the present dire need. The President, Ted Daniels, said: "Since the press reports stated that the School Board would build the needed room and they appropriated money for it, they have broken faith with the community by refusing to build the room."

Mrs. A. B. Mathis pointed out the need for increased voting in the community. The gathering gave its wholehearted support and approval to a campaign for increased voting in coming elections. The Civic Club voted unanimously to back Mrs. W. C. Previtt for District Trustee in the election to be held November 4th. The chairman said another meeting would be called soon if the situation warranted it.

See for Yourself

ALL YOU CAN DO WITH THE UNIVERSAL 'Jeep'

Let us demonstrate the 'Jeep' on your farm—no obligation!

We cordially invite every farm owner to ask us for a free demonstration of the famous Universal "Jeep" on his own land. We want you to see for yourself how this versatile vehicle, with both 2- and 4-wheel drive, performs on every kind of farm job—tractor work in the field, hauling and towing around the farm and on the highway, operating equipment with its power take-off. See for yourself how easily the "Jeep" handles—how much more comfortable it is for the driver.

WRITE US—CALL US

You tell us where and when—and we'll be there with a Universal "Jeep" for you to try out on any job you choose. No obligation of any kind.

LEGAL NOTICES

WHERE WILL THE MONEY COME FROM?

Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.

In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open!

Railroads Do Not Run For Employees Alone

Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

Increased Wages, Too

On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of 30 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees

In addition to this, an Arbitration Board has just granted a wage increase of 15 1/2 cents an hour to the million employees represented by the 17 non-operating unions. This will cost the railroads \$468,000,000 a year.

It's to your interest to know about this proposed feather-bedding!

Halsey & Griffith, Inc.**SOUTH BAY BEAN CITY LAKE HARBOR**

Mr. and Mrs. Paul Dillow and children, Billy, Bobby and Paulette have returned from Orlando where they visited Mr. and Mrs. C. E. Farbes and daughters, Patricia and Pearl Ann.

Mr. and Mrs. Luther Martin and family have moved from their flooded Okaloosa home into the house vacated by Mr. and Mrs. L. H. Willis.

Raymond L. Wilder was taken to the Belle Glade Hospital for treatment the last of the week.

Mrs. L. R. Wolf has returned from a business trip to Orlando and other mid-state points.

Dr. and Mrs. John I. Leonard were in South Bay Sunday inspecting conditions at the

school. Chief of Police C. G. Payne had the town fire truck pumping flood water off the school playground in time for opening of school Monday.

Mr. and Mrs. J. W. Strickland, Dorothy and Tommy will visit with her mother, Mrs. J. W. Garrett, Brooksville.

Mrs. John R. Crow, Mike and Sandra, Mrs. Kenneth Hitchcock and son Malcolm of Miami Springs arrived Monday to spend a couple of weeks with Mr. and Mrs. Alvin B. Crow until the flooded condition around their homes can be alleviated.

M. D. Hardy of Miami spent the week end in South Bay with his family.

Mrs. R. A. Robertson and two sons, Earnest and Danna of Lakesport are staying with her parents, Mr. and Mrs. Edwin Best evacuees from the flood on the other side of Lake Okechobee.

Mrs. Max Harrelle and Mrs. Edna Walker have returned from Miami where they were called by the illness of their father, J. D. Harrelle, at the home of his daughter, Mrs. Leslie Ellison. They report his condition improved.

Mr. and Mrs. Cees Peet of Delray Beach visited Mr. and Mrs. C. J. Brown, Mrs. Genevieve Gove and children the first of the week.

BETHIE ALY WEDS
MISS NORMA NORMAN
Mr. and Mrs. J. H. Norman of Starke, Fla., announce the marriage of their daughter, Norma, to Douglas Bethie Aly, son of Mr. and Mrs. S. A. Aly, formerly of South Bay, now living in Moore Haven, at the Starke Memorial Baptist Church in Miami on Friday, October 3 at 8:30 P. M. The Rev. Owen read the marriage service to the low strains of nuptial organ music.

The bride, given in marriage by her father, was attired in a blue suit with black accessories and wore a gardenia corsage. Miss Margie Carmichael, cousin of the bride, was Maid of Honor. She wore a gray suit with black accessories and a corsage of gardenias.

Charles de la Gardelle, Jr., cousin of the bridegroom, acted as Best Man.

The best man was host at a reception for the bridal couple immediately following the ceremony at his home at 1256 N. W. 51st St., Miami. Quite a number of out of town relatives and friends of the contracting parties attended the wedding and reception.

The bride is a graduate of the Starke High School and attended the University of Florida State University at Tallahassee.

The bridegroom is a graduate of the Palatka High School and attended the University of Florida at Gainesville. He served for four years with the Army Air Force during the war and attended the University of Georgia for one year.

He is now employed at Farnley's Hardware at Miami Beach. After a weeks honeymoon the young people will live at home at 1008 N. W. 51st St., Miami.

North New River Canal Overflows

The torrential rains Friday and Saturday that accompanied the passing of the tropical disturbance, caused the overflow of the North New River Canal at South Bay both above and below the Locks and flooded the townsite.

The canal overflowed above the bridge flooding the north end of town which has been comparatively free from standing water during the long rainy season. It also broke across the highway bridge and the Locks, flooding the school yard; and below the locks on both sides of the canal.

Chief of Police C. G. Payne rounded up a group of tractors driven by Herb Cooper, Kenneth and Willis Warren, and O. D. Martin who tumbled sand from Palm Meadows to raise a street level to form a dike to hold back flood waters of the Canal. R. Y. Crockett and John L. Evans were also on the job all day Sunday directing and assisting the work with the crew from the South Shore Drainage District to overcome this break in the road dike and strengthen the dikes of the district to relieve the threatened flood of the town site.

Meanwhile the South Florida Conservancy District crew and the U. S. Sugar Company crew worked on the dike snubbing the east bank of the North New River Canal from the Locks to the southern boundary of the district to check the overflow on that side of the canal which

was threatening further inundation of the cane fields as well as the sub-division of the town site at that point. It was expected that the water would be under control at all points by Tuesday.

Chief Payne also had the South Bay Fire Truck pumping water from the school yard to provide dry footing for the children by the time school opened Monday.

The heavy rains also damaged the young snap bean crops on the high bank between South Bay and Bare Beach. Growers stated that it would be several days before the full extent of the damage could be estimated.

Some fields did not appear to be damaged to any great extent while others were heavily damaged. Major Lee of Lake Harbor, Fred Seurlock and Dick Huse of Bare Beach Sunday afternoon opined that the damage might go as high as 75 percent in this area if the hot sun continued to shine.

All dikes were holding the first of the week and they continue to hold threatened flood waters from the glades from the drainage district in this area, crops can be replanted within a few days.

South Bay P. T. A. Has Meeting On Monday

The South Bay Parent Teacher Association conducted its regular monthly meeting at the school auditorium Monday evening, Mrs. W. G. Bowen presiding. Mrs. F. W. Moschler was secretary pro tempore.

It was pointed out that the primary children were not comfortably seated at the regular tables in the cafeteria and it was decided to request the authority to either build a new table for their use or to cut the legs off one of the regular tables to a height suitable for the young children.

The Room mothers have been appointed in all rooms as follows: Eighth grade taught by H. S. Emery, Mrs. J. H. Harrell, fourth grade taught by Mrs. Mary Horton, Mrs. E. E. Dasher and Mrs. J. E. Allen. Mrs. Ruth Murphy's fifth and sixth grades, Mrs. H. B. Walker and Mrs. Wesley Martin. Mrs. Leslie Martin's fourth and fifth grades, Mrs. F. W. Moschler, Mrs. Edna Walker, Mrs. H. J. Williams, Mrs. Olga Har-
